

# RESPONSE TO STUDENT HOMELESSNESS TRAINING SERIES

These trainings are for McKinney-Vento (MKV) Liaisons, school building staff, Building Points of Contact, and Community Based Organizations across the state.

Each training topic will be **offered 4X** via Zoom through September 2023.

Clock hours available!

## MKV DEEPER DIVE INTO PRACTICE

4 of 4 sessions completed

Supplemental to OSPI's annual training for districts and dive deeper into identified parts of the MKV mandate that are most challenging to achieve.

## NAVIGATING THE HOUSING SYSTEM

4 of 4 sessions completed

Learn about the role of housing authorities, low-income housing, coordinated entry, prioritization, and various types of housing support that exist in their local communities.

## NAVIGATING THE SCHOOL SYSTEM

Learn about how MKV students and families are identified, LEAs, staffing roles & mandates, goals & outcomes, and data sharing.

*Target Audience: CBO Partners*

## SCHOOL/HOUSING PARTNERSHIPS

Work on local resource mapping, how schools can better identify and utilize community support, leveraging partner's expertise, and how to work collaboratively.

## SERVING SPECIFIC STUDENT POPULATIONS

Participants will learn how to provide targeted engagement and supports to various populations.

## DIVERSION IN SCHOOLS: A SNAPSHOT

Help identify creative ways to support families in solving their own housing crises through a strengths-based approach and systems perspective.

## CAPTURING DATA FOR MKV STORYTELLING

Understand the importance of capturing both quantitative and qualitative data to tell the story of their pupil services and outcomes.
